this unique book features an array of approaches strategies and tools for teaching multiculturally in the early years the teachers and classrooms portrayed here provide young children with rich educational experiences that empower them to understand themselves in relation to others you will see how amazing teachers engage in culturally responsive teaching that fosters educational equity while also meeting state and national standards such as the common core state standards this engaging book is sprinkled with questions for reflection and implementation that encourage educators to start planning ways of enhancing their own teaching making their early childhood setting a more equitable learning space book features multicultural education in action including the everyday issues and tensions experienced by children and their families powerful vignettes from diverse head start preschool kindergarten 1st and 2nd grade classrooms throughout the united states sections on getting started and considering obstacles and exploring possibilities in each chapter a list of multicultural children s books and resources for further reading chapters multicultural tools and strategies for teaching young children multicultural education as transformative education interviews encouraging children to ask questions critical inquiry supporting children s investigations culture circles with multicultural literature addressing issues of fairness community resources and home literacies developing funds of knowledge technology media ting multicultural teaching storytelling and story acting creating spaces for children to negotiate change reflecting on the possibilities of teaching multiculturally what next what if mariana souto manning is associate professor of education in the

department of curriculum and teaching at teachers college columbia university a profound rich and rewarding meditation and deep conversation with teachers fully engaging young children with culture social history and learning for the future this wide ranging book escapes temporal spatial and disciplinary boundaries read it and reflect on how you can take it into your own life of learning shirley brice heath professor emerita stanford university early childhood educators will experience this unique book as a warm and detailed invitation to engage in multicultural education the emphasis throughout is on multi multiple pedagogical approaches from culture circles to podcasts to story acting and multiple cultural heritages embodied by active children and teachers from a critical perspective and alongside creative teachers who aspire to be transformative soto manning links accessible theory with rich and thoughtful practices celia genishi professor of education teachers college columbia university mariana soto manning s multicultural teaching in the early childhood classroom rightly places the use of deficit thinking and ineffective teaching strategies in the wasteland of classroom instruction the author superbly documents and explains ways of teaching multiculturally that will richly benefit the learning of all students and make teaching become the fun that teachers dreamed it would be when they first said i want to teach because i love kids carl a grant hoefs bascom professor university of wisconsin madison multicultural teaching in the early childhood classroom encourages teachers to honor affirm and challenge even our very youngest children to think inclusively critically and democratically a necessity if we are to help develop knowledgeable caring and empowered learners sonia nieto professor emerita university of massachusetts amherst

representing a synthesis of the author s decades of multidisciplinary work in meditation psychiatry psychotherapy and spirituality creating peace by being peace guides readers in creating peace on seven levels of engagement from the body to the ecology to god author gabriel cousens addresses the increasingly urgent need to transform humankind with the ancient peace wisdom of the essenes a judaic mystical group that flourished two millennia

ago he begins by explaining the essenes and the lessons they can teach us as creators of peace individual chapters cover a wide range of possibility from the personal peace with the mind to the political peace with the community the final chapter integrating peace on every level presents a comprehensive plan for peace with the body mind family community culture ecology and god as a pervasive experience in life moment to moment day by day cousens blends documentary evidence with original interpretation to show that the essenes actually did live this experience of peace most importantly he transfers their gift to modern seekers as a breathing blueprint for realizing this reality as we walk in our lives work according to our gifts joys and sacred design and live the path of spiritual awakening the sevenfold peace

for almost half a century foxfire has brought the philosophy of simple living to hundreds of thousands of readers teaching creative self sufficiency and preserving the stories crafts and customs of appalachia inspiring and practical this classic series has become an american institution the foxfire 45th anniversary book continues the beloved tradition of celebrating a simpler life this time with a focus on appalachian music folk legends and a history full of outsized personalities we hear the encouraging life stories of banjo players gospel singers and bluegrass musicians who reminisce about their first time playing at the grand ole opry we shiver at the spine tingling collection of tall tales from ghosts born of long ago crimes to rumors of giant catfish that lurk at the bottom of lakes and quarries we recollect the farm family program that sustained and educated appalachian families for almost fifty years through the depression and beyond and we learn the time honored skills of those who came before from building a sled to planting azaleas and braiding a leather bull whip full of spirited narrative accounts and enduring knowledge the foxfire 45th anniversary book is a piece of living history from a fascinating american culture

winner of the 2024 speaker s book award the true story of the first black team to win an ontario baseball amateur association championship the pride of chatham s east end the coloured all stars broke the colour barrier in baseball more than a decade before jackie robinson did the same in the major leagues fielding a team of the best black baseball players from across southwestern ontario and michigan theirs is a story that could only have happened in this particular time and place during the depths of the great depression in a small industrial town a short distance from the american border home to one of the most vibrant black communities in canada drawing heavily on scrapbooks newspaper accounts and oral histories from members of the team and their families 1934 the chatham coloured all stars barrier breaking year shines a light on a largely overlooked chapter of black baseball but more than this 1934 is the story of one group of men who fought for the respect that was too often denied them rich in detail full of the sounds and textures of a time long past 1934 introduces the all stars unforgettable players and captures their winning season so that it almost feels like you re sitting there in stirring park s grandstands cheering on the team from chatham
