on a fateful day in the spring of 1954 robert jay lifton a young american psychiatrist just discharged from service in the korean war decided to stay in hong kong rather than return home changing his life plans entirely so that he could continue work that had enthralled him interviewing people subjected to chinese thought reform he had plunged into uncharted territory in probing the far reaches of the human psyche as he would repeatedly in the years ahead and his hong kong research provided the first understanding of the insidious process that came to be known as brainwashing from that day in hong kong forward lifton has probed into some of the darkest episodes of human history bearing his unique form of psychological witness to the sources and consequences of collective violence and trauma as well as to our astonishing capacity for resilience in this long awaited memoir lifton charts the adventurous and constantly surprising course of his fascinating life journey a journey that took him from what a friend of his called a jewish huck finn childhood in brooklyn to friendships with many of the most influential intellectuals writers and artists of our time from erik erikson david riesman and margaret mead to howard zinn and kurt vonnegut stanley kunitz kenzaburo oe and norman mailer in his remarkable study of hiroshima survivors he explored the human consequences of nuclear weapons and then went on to uncover dangerous forms of attraction to their power in the spiritual disease he calls nuclearism during riveting face to face interviews with nazi doctors he illuminated the reversal of healing and killing in ordinary physicians who had been socialized to nazi evil with vietnam

veterans he helped create unprecedented rap groups in which much was revealed about what we now call post traumatic stress disorder helping veterans draw upon their experience for valuable even prophetic insights about atrocity and war as a pioneer in psychohistory lifton's encounters with the consequences of cruelty and destructiveness led him to become a passionate social activist lending a powerful voice of conscience to the suppressed truths of the vietnam war and the dangers of nuclear weapons written with the warmth of spirit along with the humor and sense of absurdity that have made lifton a beloved friend and teacher to so many witness to an extreme century is a moving and deeply thought provoking story of one man's extraordinary commitment to looking into the abyss of evil in order to help us move beyond it

an acclaimed historian of science uncovers the hidden history of brainwashing and its troubling implications for today because brainwashing affects both the world and our observation of the world we often don't recognize it while it's happening unless we know where to look as rebecca lemov writes in the instability of truth brainwashing erases itself what we call brainwashing is more common than we think it is not so much what happens to other people as what can happen to anyone the instability of truth exposes the myriad ways our minds can be controlled against our will from the brainwashing techniques used against american pows in north korea to the soft brainwashing of social media doomscrolling and behavior shaping in our increasingly data driven world anyone can fall victim to mind control lemov identifies invasive forms of emotional engineering that exploit trauma and addiction to coerce and persuade in everyday life tracing the word brainwashing from deep in the files of an operative of the u s office of strategic services in the 1950s to the pioneering research of robert jay lifton to the public trials of cult leaders and the case of patty hearst lemov also studies how the idea of mind control has spread across the globe and penetrated courtrooms secret labs military schools and today's digital sites the instability of truth offers lessons from mind control episodes past and present truth is always subject to question in more mundane walks of life than most people believe and lemov equips us for the increasing challenges we face from social media ai and an unprecedented global form of surveillance capitalism the instability of truth develops a rigorous new understanding of both brainwashing's paradoxes and its emotional roots by giving voice to brainwashers the brainwashed and third party observers alike
