i love men is a self help book it focuses on the positive aspects of men they are required to do many things that sometimes are not easy to achieve or reach many of them have childhood experiences that make them cry and they have been told on many occasions that men dont cry in fact men of good heart do cry some of them use alcohol to express

their pain others express it with violence it is not the most appropriate way but they are beings in need of love and understanding they are treated very hard for being unfaithful but there are studies that show that the tendency towards infidelity is an affective lack that comes from parents or influential members of the family this doesnt justify it but i have seen on many occasions how men do not abandon a cause or their previous families although its sometimes too late he repents and apologizes many times and before his death laments his mistakes and committed damage

as he sheds light on the hidden emotional psychological recesses of the black man s inner world dr elmore provides down to earth advice and real life anecdotes drawn from his seminars and radio call in shows to show women how to create the fulfilling relationship each partner wants and deserves

transatlantic humorist david bouchier brings wit wisdom and a touch of philosophy to the everyday dramas of american suburban life this book brings together more than a hundred essays originally broadcast on national public radio or published in his out of order column in the sunday new york times when work and marriage brought david bouchier to long island in 1986 the endless suburbs seemed mysterious and exotic to him he was inspired to begin writing essays and newspaper columns about his life there a personal and public diary of the resident alien experience in 1992 a weekly public radio essay was added to the newspaper columns and thousands of listeners still enjoy david s weekly radio broadcasts these are the affectionate and sometimes acerbic observations of an accidental immigrant who still finds life in america endlessly stimulating and wonderfully strange david bouchier s thoughts about love life liberty and the pursuit of happiness in the suburbs will make you smile and make you think boring suburban rituals like lawn care mall shopping wedding rehearsals and barbecues will never seem the same again
