the first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy women and comedy shows how a genre that has been used historically to restrict women s behavior is being

reconfigured to express women's triumphs it thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed challenging a critical consensus that has seen comedy as a haven for female power carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power through an analysis of a range of comedies by shakespeare congreve maugham shaw and ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate this negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo carlson then examines the transitional work of three writers aphra behn henry james and ann jellicoe whose heroines follow an unorthodox trajectory through their comic worlds while the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers the book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change in making her case for the difference of contemporary comedy by women carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women's theater collectives women and comedy is an important work for students of british drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts

an introductory women's studies reader which offers various classic conceptual and experiential writings it contains chapter introductions which provide background information on topics including explanations of key concepts and ideas and references to the subsequent reading selections

why should feminists care about christianity why should christians care about feminism in feminism and christianity riswold presents a collection of concise answers to basic questions like these in order to generate discussion about how the two can challenge each other and can even work together in the twenty first century situated firmly in the third wave of feminist activism and scholarship as well as in contemporary christian theology riswold addresses issues such as race class gender and sexuality with an affirmation of tradition alongside a push for change this book is an opportunity for christians to gain a fuller understanding of feminism moving beyond stereotypes and assumptions and into history and contemporary society simultaneously this book is an opportunity for feminists to understand the ongoing relevance of a religion whose social power and core commitments can contribute to a vision of a just human community

this book offers a practical guide to the everyday actions and decisions that anyone can take to promote gender equality and social justice in their own life and the world around them beyond burning bras feminist activism for everyone is an antidote to the poison of shock jocks who caricature the women s movement as a radical fringe of man haters and paint activists as spoiled hooligans two real life feminist activists laura finley and emily stringer focus on the mainstream of everyday feminism explaining what feminism is really all about and fanning out a spectrum of simple imaginative user friendly ways in which ordinary readers can promote gender equality and social equity in their own lives and in the world around them beyond burning bras taps the life stories and first person accounts of 50 ordinary individuals of every age sex sexuality class nationality race ethnicity and learning style all of them tell how they found within themselves the courage to take a stand on the front lines of feminist activism whether in subtle private ways or in life changing public ways after a survey of the history of feminism in the united states the authors and contributors show in successive chapters how feminism today meshes with other forms of activism relating to the workplace sexual violence the environment politics human bodies the arts youth empowerment and mothering

in the current english language publication market this book is one of the earliest academic monographs to comparatively investigate different feminist scholars and academic feminism across the taiwan strait it problematizes recent scholarly understanding of feminist complexity in various chinese speaking areas this book addresses sociocultural backgrounds of how mainland chinese taiwanese and hong kong feminist scholars strategize their transfers localization and acculturation of western feminist literary theories it emphasizes how chinese literary theorists filter gate keep select import latest western feminist theories and then match them with local socio cultural trends by exerting comparative researchers cross cultural and cross lingual academic power in order to tackle mainland china s taiwan s and hong kong s own gender problems

a multi cultural collection of third wave feminist voices this book reveals how current feminist religious scholars from around the world are integrating social justice and activism into their scholarship and pedagogy

selected papers from a conference a fabric of our own making southern scholars on women held mar 4 7 1981 at georgia state university atlanta

this timely collection engages with representations of women and ageing in literature and visual culture acknowledging that cultural conceptions of ageing are constructed and challenged across a variety of media and genres the editors bring together

experts in literature and visual culture to foster a dialogue across disciplines exploring the process of ageing in its cultural reflections refractions and reimaginings the contributors to ageing women in literature and visual culture analyse how artists writers directors and performers challenge and in some cases reaffirm cultural constructions of ageing women as well as give voice to ageing women s subjectivities the book concludes with an afterword by germaine greer which suggests possible avenues for future research

demonstrates how feminist visions can help social workers provide more holistic ecological and prevention oriented services an essential text for practitioners educators and students

demonstrates how feminist visions can help social workers provide more holistic ecological and prevention oriented services an essential text for practitioners educators and students

feminist re visions utilizes the study of space and place which extends through sociology anthropology cultural studies and area studies historical perspectives and philosophy as a paradigm for cross disciplinary inquiry noting that both the study of space place and feminism are transected by the lines of spacial conceptual and ontological disintegration in contemporary academia gail currie and celia rothenberg have culled a collection of writings drawn together from feminist scholars across several disciplines to address three questions how are subjects constituted in relation to the spaces and places they occupy how are those spaces and places in turn negotiated and transformed and how are feminists actively constructing new visions of the female subject in the context of the postmodern academic terrain this work sets the stage for the development of a productive feminist praxis in an academic world some fear has been relativized and depoliticized by the postmodern turn
