this is an abridgment of grudem s highly commended systematic theology intended for laypeople and nonprofessionals

his systemized study and analysis of the major bible doctrines provides for readers dr lockyer s approach to understanding doctrines in logical sequence this method of biblical presentation can and should lead to a valuable comprehension of the christian faith

systematizing the robust theology that has undergirded John MacArthur's well known preaching ministry for decades this comprehensive overview of basic doctrines taught in the Bible will give Christians a solid foundation for what they believe

the doctrine of the final judgment enshrines many important truths it stresses man's accountability and the certainty that justice will finally triumph over all the wrongs which are part and parcel of life here and now the former gives a dignity to the humblest action the latter brings calmness and assurance to those in the thick of the battle the doctrine gives meaning to life the Christian view of judgment means that history moves to a goal judgment protects the idea of the triumph of God and of good judgment means that in the end God's will will be effectively done from chapter 4

the Christian church has a long tradition of systematic theology that is of studying biblical teaching on centrally important doctrines such as the Word of God redemption and Jesus Christ Wayne Grudem's bestselling systematic theology has several distinctive features a strong emphasis on the scriptural basis for each doctrine clear writing with technical terms kept to a minimum a contemporary approach treating subjects of special interest to the church today a friendly tone appealing to the emotions and the spirit as well as the intellect frequent application to life resources for worship within each chapter bibliographies in each chapter that cross reference subjects to a wide range of other systematic theologies

this book reveals the true genuine doctrine of Christ or the Doktrina Kristiana constituting two catechistic books that was introduced to the islands of the Philippines during the 16th century it was the first book of Spanish origin that was printed in 1593 by the sponsorship of Governor General Gomez Perez Dasmariñas catechism was taught to the early Catholics until the modern times however a counter part of this version today is the true doctrine of Christianity that was written by the early prophets and disciples of Christ followed by the disciple Paul and taught to the Christians who believed and followed Jesus Christ the teachings of Christ are far more different from the first two books of the doctrine of Christ published in 1593 which dealt more on catechism in the doctrine of Christ taught by the early disciples in this book there are many things that we should learn about the do's and don'ts that must be obeyed by the believers example is the food that we should eat and those that will violate the law like avoid eating blood of animals and animals that were strangled the manner of dressing of man and woman the correct way of giving and not the law on tithing way of worshipping God the nature and distinctions of Gods and many topics relating to salvation

the great doctrines of the Bible is comprised of a series of essay lectures given to students the subject matter is covered
