Yahweh

complete bible old and new testaments the prime objective in producing this new edition of the scriptures was a desire to accurately represent the most sacred names of our father and his son the personal name of the heavenly father yahweh was inspired into the hebrew and aramaic texts of the old testament nearly 7000 times this includes 134 instances where the masoretic scribes admittedly changed yahweh to the more common hebrew adonai in all instances where lord or god was

substituted for the sacred name in the english text we have properly restored yahweh it was also our goal to restore the hebrew name of our savior yahshua into the text

this easy to read bible also includes an introduction to each book of the bible brief devotionals advice on worthwhile values for boys and biographical sketches of old and new testament heroes

third edition when the apostle paul who refers to himself as a hebrew of hebrews writes in 2 timothy 3 16 that every scripture is yahweh breathed he is making a reference to the original hebrew scriptures commonly referred to by most christians as the old testament those original inspired hebrew scriptures were primarily written in hebrew with small portions written in aramaic and included god s proper name over 6000 times the transliteration of god s proper name known as the tetragrammaton is yhwh and by a majority consensus is pronounced yahweh yahweh s name is used more than 1000 times in connection with the communication of his word and over 600 times by the inspired writers of the psalms a reading of the psalms in any translation where the name yahweh is used will confirm the importance of the name and an attitude that all who claim yahweh as their god should demonstrate in their personal relationship and communication with him since the new millennium began there have been several bible translations that have restored the name yahweh to the old testament scriptures leading the way in this new trend is the world english bible first published in 1997 and last updated in september of 2016 using the world english bible as its translation foundation yahweh s word has taken this trend one step farther and has also restored yahweh s name to the new testament the new testament often records jesus and his apostles quoting from the old testament scriptures one can easily assume jesus the only begotten son of yahweh would have quoted verbatim from the original hebrew scriptures in yahweh s word old testament references and quotes found in the new testament have been edited where possible to be more consistent with the old testament scriptures this in turn causes the name yahweh to be read within the text of the new testament in the same context as it appears in the old testament in the second edition of yahweh s word the name yahweh was restored an additional 1200 plus times in the new testament the proper name yahweh replaces titles like god and the lord as well as pronouns he and his when they are referring to yahweh the orthodox jewish bible ojb was used as the primary resource for making this improvement the third edition of yahweh s word has a greater emphasis placed on the way of yahweh which is sometimes referred to simply as the way matthew 3 1 3 refers to john the baptizer as he who was spoken of by isaiah the prophet saying the voice of one who calls prepare the way of yahweh in the wilderness make a level highway in the desert for our god in acts 9 1 2 paul was on his way to damascus looking for any who were of the way later after his conversion in acts 24

14 15 paul states but this i confess to you that after the way so i serve the god of our fathers having a hope toward yahweh the reader of yahweh s word will see the connection between the old testament scriptures and the new testament scriptures from a clear and more accurate perspective
