brilliant engaged intelligent personal and funny financial times ten years after democracy arrived in south africa here is a book that gives a voice to the afrikaner speaking in english about the miracle of the peaceful transition to majority rule their worst nightmare this is a book that goes beyond politics with the very human story of one man giving insight into the hearts and minds of a people struggling to find their identity as white africans trying to secure their place in africa they are seen through the eyes of a boerejood a half afrikaans half jewish writer who struggles himself with issues of identity reflecting the struggle

around him in the final analysis boerejood is about the universal human struggle between good and evil black and white justice and injustice love and hate all that defines us as being human it takes the reader on an astonishing and remarkable journey of discovery the destination being the soul of the afrikaner and an answer to why these people accepted black majority rule with relatively no struggle after years of racist persecution of their black and brown neighbours reading boerejood is like being a voyeur at a hugely animated dinner party where you sit and listen to highly charged debate with intelligent people locking horns they make fascinating points and then incredibly inane and naïve remarks then they dazzle with astute observations you are hooked and hang on to every word cape times

south african history will never be the same again shunning the predictable max du preez has put on his investigative journalist s cap and examined our past from a fresh perspective the result is a collection of extraordinary and mostly unknown stories all meticulously researched and written in an engaging and lively style instead of regurgitating the story of jan van riebeek s arrival at the cape he tells the tales of a portuguese viscount killed on a cape beach in 1510 of the khoikhoi chief who was kidnapped and taken to england in 1610 and of the saucy goings on between slave women and their european settler lovers there s the story of king moshoeshoe s remarkable conduct when cannibals ate his beloved grandfather and shaka s sexuality is explored via his relationship with his mother and the woman who loved him without ever touching him sidestepping the old clichés about the anglo boer war du preez recounts the story of an afrikaner broedertwis general christiaan de wet and his brother piet who joined the british forces and fought his own people the reader is taken through every stage of our history up to the story of apartheid south africa s nuclear bombs and the secret dealings and intrigue during the negotiations leading up to the 1994 elections this is south african history as you ve never seen it before a colourful mosaic of our rich heritage

next thirteen years started with the question of how the mayan calendar date of 21 december 2012 might be connected to christian apocalyptic expectations for the end of this age a certain amount of paranoia was no doubt produced by the unexpected destruction of much of my hometown christchurch through a number of earthquakes that struck throughout 2011 during the year of the super moon the 2011 japan tsunami came soon after and these disasters seemed to be leading into 2012 when nasa was also anticipating dangerous solar flares many thought the government knew something that the rest of us did not and wild speculation broke out on youtube from 2011 onwards fed by the massive underground bunker building programs and the arming of fema camps all across the united states huge stock piling of food in these bunkers throughout 2013 is not helping to calm public nerves financial prognosticators have also foreseen an

imminent collapse and the picture being drawn is almost apocalyptic expressing a readiness for cosmic disaster or war on american soil my own beliefs anticipate critical events from 2026 to 2030 which is when i think the final great antichrist will be upon us who will appear with the overthrow of jerusalem the thirteen year gap from 2013 to 2026 is of the right length to suggest the next thirteen years could be the period of apostasia rebellion that paul speaks of as preceding this great man of sin whom christ must destroy at his return what governments are doing now can easily be read as preparation for the collapse of society perhaps with the aim of building a new world order from the ashes ruling over whoever is fortunate enough to survive what is about to come plans to cull population may also be brought to fruition in this great set of events about to take place upon the earth in setting the plan of the elitists alongside what i think will transpire from 2026 onwards i lay before the reader what i think the next thirteen years may hold for us
