cooper defines the different forms these powers take executive orders presidential memoranda proclamations national security directives and signing statements demonstrates their uses critiques their strengths and dangers and shows how they have changed over time here are washington s neutrality proclamation lincoln s emancipation proclamation and the more than 1 700 executive orders issued by woodrow wilson in world war i fdr issued many executive orders to implement his national industrial recovery act but also issued one that led to the incarceration of japanese americans during world war ii truman issued orders to desegregate the military and compel loyalty oaths for federal employees eisenhower issued numerous national security directives jfk launched the peace corps and issued an order to control racial violence in alabama all

through executive action

examining nixon s autobiographies and political memorabilia frick offers far reaching perceptions not only of the man but of nixon s version of himself contrasted with those who would interpret him differently he cites reinventions of nixon from the late 1980s particularly the museum at the richard nixon library and birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques and he recounts how celebrants at nixon s state funeral at which bob dole s eulogy depicted a god fearing american hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president with dozens of illustrations nixon posing with elvis the national archives most requested photo nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of nixon from so many diverse media these reinforce frick s probing analysis to help us understand why we disagree about nixon and why it matters how we resolve our disagreements book jacket

lyndon baines johnson ascended to the presidency in the wake of tragedy to lead the united states through one of its most violent and divisive decades his troubled presidency was marked by endless controversies over civil rights the vietnam war foreign policy and law and order issues among others nearly four decades later it s now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation s most misunderstood presidents drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on lbj s beleaguered white house tenure collectively they reinforce the image of johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control four chapters focus on lbj s foreign policies including a positive appraisal of his handling of the 1964 panama crisis but less favorable assessments regarding the downhill slide into vietnam the six day war and policies toward the communist bloc yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy five other chapters focus on aspects of lbj s domestic policies that have been largely neglected women s rights native americans agriculture civil disorder and fiscal policy whether responding to urban riots or balancing different versions of the 1964 farm bill johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized all of these writings attest to the complexities of lyndon johnson a larger than

life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed the new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

how to evaluate compliance is among the most difficult questions that arise during treaty negotiations and ratification debates arguments over verification principles and procedures are increasingly common for accords about the environment human rights and economics but they have been especially important in the arena of national security nancy gallagher explains in a world in which states face conflicting pressures to maximize military capabilities and negotiate mutual restraints the prospects for arms control often hinge on verification in the standard american formulation verification is the critical element of arms control in the politics of verification gallagher explores the causes of verification controversies and the processes through which they are perpetuated or provisionally resolved by examining nuclear test ban negotiations from the eisenhower through the clinton administrations gallagher finds that the assumptions about verification that have dominated u.s. policy shape domestic debates in ways that hinder stable agreement on significant test restrictions she focuses on the dynamic interconnections between domestic and international politics and analyzes the slow process of coalition building when conflicting interests and ideas create divisions both among and inside states gallagher concludes that the end of the cold war has altered the arms control context without resolving basic questions about the appropriate amount and type of verification thus the negotiation and ratification of major cooperative accords will continue to be shaped by verification compromises and coalitions

in this volume in the american presidency series mccoys recounts and evaluates the record of the truman administration and identifies its distinctiveness and relations to the past its own time and the future focusing on the problems that faced the united states between 1945 1953 he explains how truman's vigor in championing civil rights health labor education and natural resource policies brought him immense unpopularity and how despite this truman triumphed in 1948 winning bipartisan support for his foreign and military policies the author depicts truman as an honest hard working capable and complex man and describes his relationships with his staff congress foreign representatives the judiciary political parties the press the public and influential private citizens isbn 0 7006 0252 6 25 00
