this book discusses the reality of human being by pointing out some of the very

fundamental issues that remain hidden from the eyes of the modern and post modern western thought by elaborating mulla sadra s concept of soul s origination from the body and its survival through the spirit this book explains how the human soul develops stage by stage in a gradual manner from a vegetative body in the womb by using mulla sadra s principles of causality this book shows how god and his angels create man and other species on the earth without denying darwin s evolutionary theory in this reference the role of metaphysical worlds in actualizing human knowledge is also discussed this book also shows how the human life is a journey back towards its origin i e towards god and how this journey would continue even after death in this reference this book also explains the principles on the basis of which human soul would continue its life in the post humus world this book also clarifies the benefits of focusing onto the self and how this focus may lead to the realization of the eternal self of god in this way it shows how it is not impossible to experience the post humus conditions even before death it also specifies what kind of lifestyle may possibly ensure the occurrence of such mystic experiences

there is more to the human origins development intelligence and civilization than the epic debate creationism versus evolution simply because there is more to the human condition than what authorities and ideologies want you to believe therefore when you study the human origins you have to search beyond the moment when the first humans had detached from the firmament or previous species since there are other significant events in humanity s lifespan and achievement defining its specific timeline while you have to study everything otherwise you risk understanding these significant events only from simplistic empirical or ideological perspectives ending up learning what you already know while following the crowd throughout unending debates since you want the accurate truth because you already know all theories beliefs speculations and debates regarding the human origins and this is why when you study the human origins you expect to understand everything about the origins of life the nature and origins of this world the nature of the human higher self and intelligence the origins and debut of the human consciousness and human intelligent reasoning along with all details related to the creator

of this entire world of life and of humanity additionally it is relevant to know how all these affect you personally and how they affect your family your genetic line and your nation how your family and genetic line originate where and how it happened under what circumstances and with what status and privileges for you for your family for your nation and for the humankind and this is exactly what we cover throughout this book in all details and from all perspectives this book studies the human origins along with the origins of life human intelligence human species human development human society human current civilization along with various past civilizations of earth integrating humans their origins and their original and current conditions in an elaborate comprehensive model
