brief affordable and by andrea lunsford a rhetoric and a reader with a focus on curiosity listening and respect

bringing together strands of public discourse about valuing personal achievement at the expense of social values and the impacts of global capitalism mass media and digital culture on the lives of children this book challenges the potential of science and business to solve the world's problems without a complementary emphasis on social values the selection of literary works discussed illustrates the power of literature and human arts to instill such values and foster change the book offers a valuable foundation for the field of literacy education by providing knowledge about the importance of language and literature that educators can use in their own teaching and advocacy work

reprint of the original first published in 1871

teaching reading and phonics to children with language and communication delay is an accessible and jargon free book full of practical ideas for teaching the first stages of reading and phonics to children who have speech and language delay written by a bestselling author this invaluable toolkit covers approaches to the teaching of reading for a variety of needs so that no child is left behind features include a wide range of practical activities useful checklists at the end of each chapter for assessing progress and further planning links to example photo books to demonstrate how reading can be personalised and interactive tips for teaching reading and motivating children in their learning template material which can be photocopied and downloaded as eresources packed with helpful illustrations and examples that can be used in lessons this book offers a variety of methods of teaching reading including an emphasis on visual strategies which are well suited to children with language delay and complex communication needs clear explanations and step by step instructions mean the book can be used by parents as well as non specialist teachers and teaching assistants and the book will be ideal reading for any educators working with young children to improve their literacy

reading and writing for pleasure represent issues of global concern and interest in policy research and practice underpinned by evidence illustrating their importance for young people s academic social and emotional experiences and outcomes in the face of a sustained decline in children s enjoyment in both reading and writing this highly significant book presents findings from a three year study of research and practice that nurtures young people s engagement as readers and writers the book offers a rich understanding of the study highlighting the commonalities and synergies identified from the research literature and diverse practice contexts it introduces a new and powerful reading and writing framework for practice for schools and charitable literacy programmes the authors offer practical strategies and recommendations throughout for practitioners researchers and policy makers who wish to advance this agenda in their own contexts areas covered include the nature of reading and writing for pleasure literate identities motivating readers and writers social interactions role models and connected communities future research practice and policy this field defining text

is a key resource for all those committed to halting the decline in young people's engagement as volitional readers and writers

what if conversations about the catholic faith occurred with children naturally instigated by shared experiences and mutual curiosity how might discussions about imaginative reading transform how children relate to their spiritual selves cultivating their wonder and forming their hearts reading children's and young adult literature incites a range of emotions and in depth moral questions it shapes child readers into ethical human beings and future scholars who ponder their connections with others as well as life's grander meaning if we as adults read intentionally with children literature can even help us as adults and the children we love forge a relationship with god as well as a deeper communal understanding of the catholic faith and its rich traditions an intentional guided path is what this book provides it is a compass to navigate the vast questions of catholicism illuminated by the magic of literature breathing fresh life into catechesis luella d amico offers practical examples of how adults can broach complex religious questions inspired by a spectrum of classical and popular texts inside you'll discover faith topics children often struggle with drawing from a diverse array of chapter and picture books that are already staples in parochial public and homeschool settings alike
