preface by richard howard translated by richard miller this is barthes s scrupulous literary analysis of balzac s short story sarrasine

this is the first biography of roland barthes one of the most important european intellectuals of the postwar years in a lively and engaging account of barthes s life and work calvet follows the brilliant semiotician from his provincial origins to his sudden death in 1980 he describes barthes s move to paris as a child where he lived with his mother in modest surroundings and constant hardship he argues that the experience of having his academic prospects ruined by his illness at an early age remained a thorn in barthes s flesh until the end of his life his relationship with the academic world was never free of bitterness even resentment calvet retraces his years in paris bucharest and alexandria after the war during this period barthes gained access to intellectual circles and experienced his decisive encounter with modern linguistics particularly with semiotics which he helped to establish as a discipline through his work on everyday myths fashion and literature calvet discusses the whole range of barthes s work as a critic and literary theorist and demonstrates his tremendous importance and influence in the second half of the twentieth century thoughtful and sensitive this book provides a detailed portrait of barthes s life and a vivid reconstruction of the intellectual culture of postwar france it will be welcomed by students and researchers in literature cultural studies french studies and by anyone interested in the life and work of roland barthes

in this book first published in 1989 mary bittner wiseman interprets roland barthes s experiments as efforts to reposition the human subject with respect to language and to time in order to let the subject escape from the language of a particular culture and the present time with her insistent pushing against the boundaries of our standard academic assumptions mary bittner wiseman succeeds in interpreting barthes s effort to join the traditional and the new this title will be of interest to students of literature and philosophy

the first serious analysis of barthes as a writer with specific aesthetic techniques this fresh and original study focuses on some of the ways he discusses the nature of his own writing the first two chapters examine the key but ambiguous term of derive drift a word which raises questions about how exactly barthes s writing develops across three decades about the scientific legitimacy of his concepts and about his own frequently fraught relation to the scientific discourses around him especially psychoanalysis two typical discursive maneuvers that structure

his writing naming and framing are then shown to generate particular aesthetic effects which cause complications for some of his theoretical stances barthes s fascination for the idea that all writing is a kind of scribble closer to the visual arts than to speech is investigated in depth and his latent animosity against speech as such is made manifest the final chapter suggests that for barthes the real can leave its mark on writing only as a disturbing indeed traumatic trace

essays on semiology

the barthes effect was first published in 1987 minnesota archive editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original university of minnesota press editions the author acknowledges the essay as an eccentric phenomenon in literary history one that has long resisted entry into the taxonomy of genres as it concentrates on four works by roland barthes the pleasure of the text a lover s discourse roland barthes by roland barthes and camera lucida maintains that with barthes the essay achieves a status of its own as reflective text a study rigorously conscious of the critical maneuvers it executes and more importantly questions as critical practice bensmaïa s strategy produces a successful investigation of the interstices and slippages of meaning which barthes addressed in his work substance reda bensmaia is associate professor in the departments of french and comparative literature at the university of minnesota and translator pat fedkiew a graduate student in french at minnesota michele richman is associate professor of french at the university of pennsylvania and author of reading georges bataille beyond the gift

this book provides a lively introduction to the work of roland barthes one of the twentieth century s most important literary and cultural theorists the book covers all aspects of barthes s writings including his work on literary theory mass communications the theatre and politics moriarty argues that barthes s writing must not be seen as an unchanging body of thought and that we should study his ideas in the contexts within which they were formulated debated and developed
