a wealth of information on most of the greek new testament all in non technical language this reader s companion series clarifies many of the english words that do not fully capture the meaning of original greek words includes topical word and devotional studies book studies on most of paul s epistles and wuest s new testament an expanded translation wuest used interpretative material based on the greek text some original with the author and some selected from other greek authorities such as marvin vincent and henry barclay swete the order of the greek words has been preserved as much as possible so the reader may see where the greek places the emphasis polished diction has been sacrificed in the in interest of clarity and a closer adherence to the style and force of the greek text

romans bible commentary after nearly 40 years of full time ministry brother swaggart published his first commentary on the book of genesis that was later described as the most helpful bible commentary ever published it would take nearly 20 years to complete the entire commentary series from genesis to revelation true to pentecostal theology the jimmy swaggart commentary collection leads its readers chapter by chapter to a better understanding of the bible rather than providing notes on every bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the holy spirit intended where most relevant cultural and historical references are also included along with

explanations of the allegories types and symbolisms used in the bible to add depth and dimension for students of the holy scriptures yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the word of god
