guido stucco holds a ph d in historical theology from sait louis university he is currently working on a book documenting the developments in the doctrine of predestination from the council of trent to the jansenist controversy

everyone wants their life to have meaning and purpose everyone wants to feel they are valuable and important everyone deep down wants to make a positive difference god put those powerful desires into our genes and those longings in our hearts at your birth you were designed and destined to be an instrument of gods work in the world as a living gift from god you were born to make a positive contribution no matter who you happen to be rich or poor healthy or ill employed or free talented or ordinary you can make a positive difference millions do it every day you are gods gift to the world shows you how you can make a contribution simply by starting each day with the intention of living in an attitude of gratitude grateful to god for the gift of life for being a gift to the world and beloved of god in this grateful and grace filled attitude as you acknowledge that you are gods gift you spontaneously discover again and again things you can do to make the world a better place in your family at your workplace in your neighborhood and beyond learn who you are truly called to be and discover ways you can make it happen

hans urs von balthasar once said that theology should be done on one s knees suggesting that the attitude it should create in the reader or hearer is one of adoration and praise for the divine mystery few contemporary theologians achieve this effect but here kevin seasoltz comes close this book is a profound but simply written meditation on the central mysteries of the christian faith the trinity redemption the eucharist human participation in the divine life and solidarity with one another in a contemporary idiom it begins with the notion of gift giving which ever since marcel mauss s *essai sur le don* has been the subject of intense discussion among ethicists cultural anthropologists and political scientists as well as among philosophers like jacques derrida and theologians like jean luc marion seasoltz takes up these contemporary notions of gift giving and teases out various facets of the divine gifts of word and sacrament of the spirit of communion and community as seasoltz says in one summary sentence the mystery of the trinity is made accessible to us above all in the eucharist for it is there in a special and ongoing way that we are drawn into the very life of god and into the lives of each other

the insurgency of the spirit taps multi disciplinary methodologies of post colonial

biblical scholarship and anthropology liberation theologies indigenous studies grief trauma research and nature meditation writings to shape a constructive retrieval of the animist jesus the vision that emerges is one that sets forward an earth loving jesus who challenges christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems

everyone loves giving and receiving gifts in fact you were specifically designed to enjoy gifts this inspirational book guides you on a journey of discovering the five secret gifts that can renew and transform your life this book not only sheds new light on how gift giving completes the circle of life but takes you on a journey of discovering and enjoying these five primary gifts built into every person it will touch the reader s heart and sparks personal revival by utilizing unique accounts of creation and the gospel of jesus as viewed through the eyes of god and by highlighting how god the father hand selected you to be a gift to jesus and that in joyful response christ showers you with gifts from jesus including over twenty new names many little known secret promises and the ultimate gift of jesus himself in turn receiving these gifts arouse in you a desire to live out a surrendered life as a gift back to jesus becoming an ultimate gift giver is the journey we are all meant to take and pass on to others

our capacity to love was gods gift to us when he created us in his own image a personal love relationship with christ is the greatest need in todays environment joy is another gift from god when we are instilled with the holy spirit joy is continuous despite the circumstances when the lord is beside us and the holy spirit is in us lastly true peace is a precious gift from our heavenly father when we allow him to direct our life we need god on a daily basis

from a unique insider s perspective including interviews with more than seven hundred family members james chancellor charts the family s course since its emergence as the most controversial group to grow out of the jesus people movement in the 1960s chancellor who had extraordinary access to rare family records includes the experiences of members who have remained loyal to the community and to the founding vision of their prophet david brandt berg in the first book of its kind comprising often painful personal histories and firsthand accounts chancellor focuses on the motivation and process of becoming a child of god the core beliefs of the community the mission of the disciples their shifting sexual mores and the cost of membership in terms of internal discipline and external persecution intense confrontation with the legal religious political and educational establishment marked the movement s activities from the beginning the young disciples heeded the call of their prophet to flee a soon to be destroyed north america dispersed throughout europe latin america africa and east asia they virtually disappeared from the american landscape in the late 1980s the family had gone through extreme theological and lifestyle changes including a radical reordering of their sexual ethos the children of god started to come home now a worldwide counterculture of some twelve thousand members the movement s colorful history reveals a profoundly religious group that has tested the limits of human experience
