consumers corporations and public health assembles 17 case studies at the intersection of business and public health to illustrate how each side can inform and benefit the other through contemporary examples from a variety of industries and geographies this collection provides students with an appreciation for the importance of consumer empowerment and consumer behavior in shaping both health and corporate outcomes

this ambitious volume sets out to understand how every company impacts public health and introduces a robust model rooted in organizational and scientific knowledge for companies committed to making positive contributions to health and wellness focusing on four interconnected areas of corporate impact it not only discusses the business imperative of promoting a healthier society and

improved living conditions worldwide but also provides guidelines for measuring a company's population health footprint. Examples, statistics, and visuals showcase emerging corporate involvement in public health and underscore the business opportunities available to companies that invest in health. The authors offer a detailed roadmap for optimizing health-promoting actions in a rapidly evolving business and social climate across these core areas: planning and building a culture of health; consumer health: how organizations affect the safety, integrity, and healthfulness of the products and services they offer to their customers and end consumers; employee health: how organizations affect the health of their employees, e.g., provision of employer-sponsored health insurance, workplace practices, and wellness programs; community health: how organizations affect the health of the communities in which they operate and do business; environmental health: how organizations' environmental policies or lack thereof affect individual and population health; implementing and sustaining a culture of health. Building a culture of health clarifies both a mission and a vision for use by MPH and MBA students in health management, professors in schools of public health and business schools, and business leaders and chief medical officers in health care and non-health care businesses.

This book will change how we talk about addiction and fix a broken system. Addiction isn't a conscious choice; it's a chronic illness that responds to treatment and deserves compassion. Drawing on peer-reviewed research and decades of expertise, Dr. Nzinga Harrison reveals the biological, psychological, and sociocultural factors that predict one's risk for addiction. In this groundbreaking new book, published amid an escalating overdose crisis, broken into two parts: outlining risks for addiction gained as children and those we acquire as adults; and *Unaddiction 6*: mind-changing conversations that could save a life. Features: conversation starters, anecdotes, the accidental discovery of an addiction predictor, scrolling toward addiction, how weathering any storm can wait with your health, paired with sobering data such as findings on how social media and cultural environments can encourage risky substance use or how adversity increases your chances of chronic illness. The framework of *Unaddiction* intentionally guides readers to unlearn what they think they know about substance use, undo stigma surrounding addiction, and uncover solutions that could end the epidemic plaguing our communities. Dr. Harrison synthesizes the latest science on the origins of addiction and provides actionable solutions to address this public health emergency compassionately and effectively. As the cofounder and CEO of Eleanor Health and host of the *Unaddiction* podcast, Dr. Harrison is an in-demand speaker and leading voice on reforming addiction treatment. Her timely insights come as over 20 million

individuals struggle with alcohol and drug addictions exacerbated by the covid 19 pandemic with predatory pharmaceutical companies under fire and the need for compassionate personalized care greater than ever dr harrison is uniquely positioned to change the narrative on addiction and introduce solutions for our broken systems of care this groundbreaking addition to addiction books and self help books for addiction recovery provides a timely and compassionate perspective on drug addiction recovery both those struggling with addiction and family members stand to gain powerful insights into overcoming substance use disorders

this multi volume series provides detailed histories of more than 8 500 of the most influential companies worldwide
