andrew root reviews the history of relational incarnational youth ministry in american evangelicalism and recasts the practice as one of place sharing not so much earning the right to be heard as honoring the human dignity of youth and locating god in their midst

you may not be a dynamic speaker know all the latest rock musicians or even dress in the latest fashions but if you love young people and desire to invest in their lives your influence can be life changing this book can help

youth work is a means of promoting learning equality and inclusion with young people it is an incredibly rewarding profession however state regulation means that youth work students and practitioners must continuously wrestle with the challenges of contemporary practice in environments that are complex and changing this book brings together a collection of voices to speak to these concerns drawing on the history of the profession each chapter focuses on a different aspect of policy and practice chapters explore the impact of new labour the changes that came with the coalition government youth work in the voluntary sector and youth work in a digital world graham bright concludes with a powerful reflection on what the future holds for the profession each chapter features over to you activity boxes which invite readers to engage collaboratively in developing and applying ideas with case studies which link discussion to real life examples this is an important book for students practitioners and lecturers in the field of youth and community work and related practice with children and young people

this book explores what it means to be and become at home in theological perspective located in the context of a youth club drawing on ethnographic research phoebe hill presents an account of what an authentic christian hospitality could look like in a youth setting and the ways in which the young people the strangers at the door might enable the christian youth worker to become

more fully at home discourses around christian hospitality often unwittingly perpetuate implicit power imbalances the youth club offers a context for christian hospitality that tips the power in favour of the young people who attend enabling the youth leaders to share and create home with young people in a distinctive way as young people leave the church in droves the church faces the urgent and daunting task of finding new ways of being with young people on their own terms this book offers one solution hill argues that homecoming is an essential task of humanity we are connected in this common pilgrimage and the need to find places and spaces where we can be at home becoming at home may be harder than ever before numerous sociological philosophical and theological factors are compromising our ability to dwell in the contemporary world

this book aims at contributing to the scientific and academic discourse as regards to the what and why of youth ministry too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry previous scientific reflection has been determined by a one dimensional and almost exclusive point of view in comparison with existing literature this book does not focus so much on the how of youth ministry it innovates a different approach the book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry from a particular perspective on the understanding the main objectives of practical theology the author endorses the so called movement of what is supposed to be going on he adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on the book will form the standard for any new research with regard to youth ministry the book s contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve

examine the latest research merging nature and nurture in pathological development developmental psychopathology is a four volume compendium of the most complete and current research on every aspect of the field volume four genes and environment focuses on the interplay between nature and nurture throughout the life stages and the ways in which a child's environment can influence his or her physical and mental health as an adult the discussion explores relationships with family friends and the community environmental factors like poverty violence and social support the development of coping mechanisms and more including the impact of these factors on physical brain development this new third edition has been fully updated to incorporate the latest advances and to better reflect the increasingly multilevel and interdisciplinary nature of the field and the growing importance of translational research the relevance of classification in a developmental context is also addressed including dsm 5 criteria and definitions advances in developmental psychopathology are occurring increasingly quickly as expanding theoretical and empirical work brings about dramatic gains in the multiple domains of child and adult development this book brings you up to date on the latest developments surrounding genetics and environmental influence including their intersection in experience dependent brain development understand the impact of childhood adversity on adulthood health gauge the effects of violence poverty interparental conflict and more learn how peer family and community relationships drive development examine developments in prevention science and future research priorities developmental psychopathology is necessarily interdisciplinary as development arises from a dynamic interplay between psychological genetic social cognitive emotional and cultural factors developmental psychopathology volume four genes and environment brings this diverse research together to give you a cohesive picture of the state of knowledge in the field

the recent church growth research see churchgrowthresearch.org.uk identifies that the successful transmission of faith to children and young people is a key factor in stemming decline and promoting growth this book explores the cultural and theological reasons as to why this is the case and makes research based recommendations for the faith formation of children and young people the central argument is that church communities need to engage in deliberate strategies

that help foster intentional christian communities within which children and young people can form and sustain christian identity

for more than 50 years relational or incarnational ministry has been a major focus in youth ministry but for too long those relationships have been used as tools as a means to an end where adults try to influence students to accept know trust believe or participate in something while our motives may be good it's possible that by focusing on these goals we're not ministering the whole person when we choose not to engage in the full life of a student we run the risk of failing them and our ministry in this thoughtful and insightful book andrew root challenges us to reconsider our motives and begin to consider simply being with and doing life alongside teenagers with no agenda other than to love them right where they are by place sharing as he shares stories of his and others successes and failures in relational youth ministry you'll find practical ideas to help you recreate the role of relationships in your youth ministry if you're involved in the lives of teenagers whether as a youth pastor volunteer youth worker church leader or parent you'll want to read this book and work together to discover the value of place sharing in the lives of teens you'll see that it's time to tear down the old structure of relational youth ministry and start again

comprises 12 papers on sociological and economic aspects of youth unemployment includes papers on the role of education and training in the uk transition from school to work in the uk and germany psychological well being and identity development in the netherlands long term unemployment among young women in belgium effects of father's employment on school careers and values of children in belgium family relations and the influence of local culture on youth training schemes in the netherlands includes results of a number of surveys

take a look at these ministry strategies models that are working in real churches with real kids in the real world you'll get practical help evaluating what will work in your ministry a candid look at the pros cons of implementing each strategy and best of all contributors are ministry

veterans who are actually doing what they describe

drawing on the wisdom of insightful leaders around the country josh mcdowell s youth ministry handbook equips youth workers to help teens connect with god their parents peers and a world in need of christ featuring articles from dawson mcallister tony campolo barry st clair and others this invaluable leadership resource provides practical useful ideas for today s youth workers

now in paperback essential reading for parents teachers counselors and youth workers surprise some people who know how to interview poll and amass data about high school youth also know how to listen to them and interpret their cries to the adult world christian century
