language culture identity and citizenship in college classrooms and communities examines what takes place in writing classrooms beyond academic analytical and argumentative writing to include forms that engage students in navigating the civic political social and cultural spheres they inhabit it presents a conceptual framework for imagining how writing instructors can institute campus wide initiatives such as writing across communities that attempt to connect the classroom and the campus to the students various communities of belonging especially students who have been historically underserved this framework reflects an emerging perspective writing across difference that challenges the argument that the best writing instructors can do is develop the skills and knowledge students need to make a successful transition from their home discourses to academic discourses instead the value inherent in the full repertoire of linguistic cultural and semiotic resources students use in their varied communities of belonging needs to be acknowledged and students need to be encouraged to call on these to the fullest extent possible in the course of learning what they are being taught in the writing classroom pedagogically this book provides educators with the rhetorical discursive and literacy tools needed to implement this approach

a tongue in cheek how to guide written by a hero of the chicano movement for the education of grass roots leaders under this somewhat threatening title the renowned civil rights leader jose angel gutierrez provides a guidebook to minority empowerment through the use of analysis practical experience and anecdote his primary goal is the conversion of latino demographic power into educational economic and political power in an incisive introduction gutierrez analyzes the types of power and evaluates chicano and latino access to power at various levels in u s society in very plain down to earth language and examples gutierrez takes pains to make his broad knowledge and experience available to everyone but especially to those who want to be activists for themselves and their communities for him the empowerment of a minority or working class person can transfer into greater empowerment of the whole community this manual penned by the founder of the only successful hispanic political party la raza unida brings together an impressive breadth of models to either follow or avoid quite often gutierrez s voice is not only the seasoned voice of reason but also that of humor wry wit and satire if nothing else the chicano manual on how to handle gringos is a wonderful survey of the chicano and latino community on the move in all spheres of life in the united states on the very eve of its demographic and cultural ascendancy

desert vistas are often deemed vacant inhospitable wastelands don t suggest that to joy harjo pat mora or other contemporary southwestern writers in these arid stretches often devoid of green today s southwestern writers see pyrotechnic colors and gothic shapes that excite and often overwhelm the imagination and they capture this excitement in words that fix these desert images in the minds of readers who may too often look at the world through green colored glasses this anthology of contemporary nature writing from the greater southwest brings together a host of writers including peers of edward abbey such as charles bowden and ann zwinger and representatives of a new generation of writers such as rick bass and terry tempest williams the book is an eclectic blend of nonfiction and fiction field notes and poetry through which artists of diverse backgrounds both celebrate and illuminate the unique vitality and complexity of southwestern literature proving that green is only one of many colors on their palette the selections included here range all across the southwestern landscape and explore adventures in the wild topics in natural history living close to the land and efforts at conservation and restoration they clearly demonstrate that there is grace and beauty in this often maligned part of the world both in the human traditions that have developed in the region and in the natural features of the desert itself
