the book of revelation contains some of the most difficult passages in scripture grant  
 osborne s commentary on revelation interprets the text while also introducing readers to  
 the perspectives of contemporary scholarship in a clear and accessible manner osborne  
 begins with a thorough introduction to revelation and the many difficulties involved in its  
 interpretation he discusses authorship date of writing and the social and cultural setting of  
 the work he also examines elements that complicate the interpretation of apocalyptic  
 literature including the use of symbols and figures of speech old testament allusions and  
 the role of prophetic prediction osborne surveys various approaches commentators have  
 taken on whether revelation refers primarily to the past or to events that are yet future  
 rather than exegeting the text narrowly in a verse by verse manner osborne examines  
 larger sections in order to locate and emphasize the writer s central message and the  
 theology found therein throughout he presents his conclusions in an accessible manner  
 when dealing with particularly problematic sections he considers the full range of  
 suggested interpretations and introduces the reader to a broad spectrum of commentators  
 revelation seeks to reach a broad audience with scholarly research from a decidedly  
 evangelical perspective

in an age shadowed by pandemics climate catastrophe authoritarian resurgence and  
 existential technological threats the bloomsbury handbook of apocalypticism and

millennialism offers a timely and indispensable exploration of how societies make sense of their ends and their hoped for new beginnings this ground breaking volume gathers leading scholars to trace the evolution meanings and enduring potency of apocalyptic and millennial ideas across religious secular and cultural landscapes from ancient revelatory texts to contemporary political movements and popular culture the book dissects how these concepts function not just as prophecies of doom but as frameworks for resistance renewal and transformation through meticulous historical analysis and bold theoretical interventions the contributors interrogate core debates from the distinctions between apocalypticism and millennialism to their radical entanglements with justice space temporality and morality this volume dismantles simplistic portrayals of end times thinking revealing instead its nuanced world shaping logic whether manifest in religious movements or global politics apocalypse is no longer a marginal concern it is the defining hermeneutic of our times scholarly provocative and urgent this handbook is essential reading for researchers students and anyone seeking to understand how humanity envisions and enacts its endings and potentially new beginnings

in the usa politically conservative and right wing apocalyptic evangelicals hold that climate change science and covid 19 are fabrications governed by manifest evil how do these groups generate and distribute these truth claims and why using a sociological methodology informed by bourdieu and foucault this book offers tools for scholars and students to better understand the logic of climate denial within the context of american conservative evangelicalism and apocalypticism tom albrecht and tristan sturm coin and employ the term apocalyptic conspiracism to analyse the increasingly powerful confluence of apocalyptic and conspiracist discourses these dialogues create a holistic belief system which claims that the world will profoundly change for the worse due to a global network of interconnected conspiracies this book focuses on and expands the literature on the

discursive practices of anthropogenic climate change and covid 19 denialism exploring religious apocalyptic and conspiracist belief systems the authors demonstrate how these affect geopolitical imaginations the perception of global crises as well as the environmentally relevant behaviour of american evangelical christians

the first publication in a new series christian arabic texts in translation edited by stephen davis this book presents english language excerpts from thirteenth century commentaries on the apocalypse of john by two egyptian authors bīlus al bīshī and ibn ḳtib qas ar accompanied by scholarly introductions and critical annotations this edition will provide a valuable entry point to important but understudied theological work taking place at the at the meeting points of the medieval christian and muslim worlds

the apocalypse was supposed to be explosive and filled with zombies instead it requires staying home with your kid and fighting boredom it wasn't supposed to be like that the journal follows an unnamed single dad with his daughter as they navigate the pop tart rations virtual third grade zombie animals and crazy carl a notable neighbor explore the apocalypse as it was supposed to be historians will debate what was real what was exaggerated and what was completely made up and who the heck was crazy carl

the account of the two witnesses in revelation 11 has been the subject of much intrigue over the years popular theologians have attempted to identify them with two individuals perhaps mooses and elijah in revelation and the two witnesses rob dalrymple offers a thorough exegesis of revelation 11 and concludes that the account of the two witnesses is the primary account in revelation that depicts the people of god who are they what is their commission what was john's message to seven churches and to us whoever they are we know this they have a commission they will suffer for it and in the end they are resurrected

when the world ends survival becomes the only language left told through the raw unfiltered entries of a lone survivor lucas henry trapped in a michigan apartment my apocalypse journal is a haunting chronicle of the first year after society collapses under the weight of the undead from the first distant sirens and panicked broadcasts to the eerie silence of empty streets the journal captures every heartbeat of fear every desperate choice every fleeting glimmer of hope at first it s about barricading doors rationing water and staying invisible as the dead roam below but as days stretch into weeks and weeks into months the entries trace a journey far beyond the safety of four walls through ruined towns fields crawling with the dead and the remnants of so called safe havens along the way lucas records chilling discoveries mysterious symbols carved into churches and unsettling signs that not all dangers are undead through exhaustion loss and fleeting connections the journal becomes a testament to resilience even as hope frays and food runs thin each entry marks another day survived another day closer to something better or something worse my apocalypse journal is a bleak intimate portrait of endurance in a world where the dead walk and the living are few a story of one person s fight to keep moving forward even when the world itself seems determined to stop

biblical apocalyptic texts that make imminent predictions of the end of the world as we know it have fascinated christians from the earliest times understandably over the centuries such texts have been interpreted in a variety of different even opposing ways this is particularly so in twentieth century biblical exegesis many authors would hold that apocalyptic texts far from truly predicting the end of time final resurrection universal judgement and perpetual separation of just and wicked are to be seen as merely existential or performative expressions of the sinner s radical dependence on a sovereign divinity any kind of literal interpretation of apocalyptic predictions therefore would seem to involve insoluble problems of a scientific ethical and social kind that modern society cannot envisage in this extensive biblical study prof o callaghan considers in detail not only the eschatology present in apocalyptic works in general and the complex debate on new testament eschatology that flourished throughout the last century he has also shown that the powerful apocalyptic message present in the new testament is essentially an application and direct consequence of jesus christ s saving work among humans principally on the basis of a narrative analysis of matthew s christology apocalyptic motifs abound in the first gospel he shows that new testament apocalyptic as it stands while radical challenging and theologically stimulating is neither irrational nor ethically untenable

and this for the simple reason that the judge who will come at the end of time to save the just and condemn sinners is one and the same jesus of nazareth who has already offered the gift of salvation to the whole of humankind
