the holy scriptures predict end time catastrophes and global upheaval as foretold in the mysterious scrolls of daniel and revelation and confirmed by jesus in the gospel accounts however believers through the centuries have wondered why has there been such a long protracted delay in messiah s return how close are we to the appointed time written about by the hebrew prophets are we the last generation and how will all the ancient last day prophecies play out in our modern world some of these questions have recently been answered by looking at the prophecies with a set of new eyes for example it s commonly taught that daniel s visions relate mainly to kings wars and events of history past therefore the book has little relevance to modern times however the overlapping similarities between daniel s visions and time periods and the events and timelines in the book of revelation clearly show they are related so by uniting the prophecies of these two books into one a bold new understanding has been unleashed of just how human history as we know it will come to an abrupt end the prophetic time periods of the two books 490 days 1 150 days 1 260 days 1 290 days and 1 335 days were first aligned into a chronological chart in 1990 and two years later it was discovered the chart lined up between the biblical jewish festivals in what is now referred to as the kingdom calendar if accurate the appointed times and seasons counting periods that lead to the end of the age will begin at purim with a disastrous jerusalem event that will stop daily worship at the western wall and temple mount and the daily counting will continue for over three and one half years of global turmoil ending at the great tribulation and armageddon confrontation the insights in prophecy 30 lesson guides will take you step by step through the books of daniel and revelation showing how they relate to one another and offering you a fresh new perspective on the previously sealed oracles for surely the sovereign lord does nothing without revealing his plan to his servants the prophets amos 3 7 you ll discover thought provoking questions along with biblical answers and commentary on the various aspects of god s unfolding plan for the last days leading up to messiah s return and his eternal jubilee
